Hiring Manager

TwoConnect
IBP Tower, Jade Dr, Ortigas Center
Pasig, 1605 Metro Manila

Dear Hiring Manager,

I am excited to apply for the UAT Tester position at TwoConnect. As a passionate learner dedicated to acquiring and applying relevant skills in the tech field, I am enthusiastic about the opportunity to contribute to your mission of empowering people with global employment opportunities and enhancing their skills through performance management techniques.

In my current role as a QA Tester Intern, I have gained extensive experience in developing test plans, creating test workflows, and building comprehensive test suites. My expertise encompasses functional, smoke, and user acceptance testing (UAT), and I have conducted both manual and automated test executions. These experiences have refined my attention to detail and problem-solving abilities, enabling me to ensure the highest standards of software quality.

I am particularly drawn to TwoConnect because of your emphasis on people as a core value and your commitment to fostering an inclusive and supportive workplace culture. I am inspired by your vision to be the recognized leader in providing managed offshoring and outsourcing services in the Philippines. I am confident that my skills and passion for quality assurance align well with your goals, and I am eager to contribute to your efforts in building dedicated offshore teams.

Thank you for considering my application. I look forward to the opportunity to discuss how my skills and experiences can contribute to the success of TwoConnect. Please feel free to contact me at 09760305815 or via email domiliesmarianne@gmail.com.

Warm regards,

Marianne Domilies

Dear Hiring Manager,

I am excited to submit my application for opportunities at Yondu, Inc., as advertised on JobStreet. With a background in Quality Assurance Testing, I am enthusiastic about the possibility of contributing to your team and furthering my career in this dynamic environment.

In my recent role as a Quality Assurance Tester Intern, I have developed a strong skill set including test planning, creating test workflows and test suites, and test execution. My experience has provided me with an understanding of functional, user acceptance, and smoke testing implemented with both manual and automated test execution.

Yondu's commitment to delivering secure, scalable, and innovative technology solutions resonates with my values, as I am inspired by Yondu's role in supporting Globe Group's vision of uplifting Filipino lives and building a digital nation.

I am excited about the opportunity to discuss how my background and skills align with the needs of your organization. Thank you for considering my application. I look forward to the possibility of further discussion. Please feel free to contact me at 09760305815 or via email at domiliesmarianne@gmail.com.

Sincerely,
Marianne Domilies
