PLEDGE OF COMMITMENT
FOR
AWS RESTART SCHOLARSHIP

I,   Marianne B. Domilies   will pledge commitment to my **AWS re/Start Training Scholarship**:

1. To **attend** daily and complete the 12-week program AWS re/Start Training.
   a. I understand the essence of attending my sessions, both during the program and the review sessions, to be able to perform to the best of my ability.
   b. I understand that I may be replaced by an alternate if I am unable to fulfill the requisite document submissions and orientation requirements, or if I voluntarily withdraw due to personal reasons, resulting in my removal from the program.
   c. I commit to my chosen schedule for the whole 12-week program, from **July 8 - September 27, 2024**, and attend with punctuality.

Please choose your preferred schedule below:
Evening Class (7:00 PM - 12:00 PM)

2. To **participate** and make my best efforts during my AWS re/Start Training.
   a. I commit to participate actively through the assigned LMS (Canvas) and learn to the best of my abilities.
   b. I understand that my commitment to participate entails my commitment to establish a respectful relationship with my instructors, and fellow scholars.
   c. I am dedicated to actively engaging and fostering transparent communication with both my instructors and fellow scholars, and I pledge to participate in monthly evaluations.

3. To **conduct myself with integrity, honesty, and respect** toward instructors, fellow scholars, and the program team.
   a. I affirm that I have maintained a history of good character, free from any disciplinary actions or infractions, in my previous educational institutions and/or work experiences.
   b. I understand the importance of maintaining a positive reputation and will refrain from engaging in any behavior that may tarnish the reputation of the program, its partners, or myself.
   c. I will adhere to the principles of academic honesty and ethical conduct, refraining from plagiarism, cheating, or any form of academic misconduct.
   d. I acknowledge that maintaining good character is a prerequisite for connecting with hiring partners after the program, and any violation of the principles outlined above may jeopardize my opportunities for future employment.

4. To **prepare** for classes and sessions during my AWS re/Start Training.

a. I will prepare myself for my sessions during the whole program by familiarizing myself with the program curriculum.
b. I commit myself to learning all the necessary technical and soft skills to be a cloud practitioner.
c. I will take the initiative to spend time learning independently while learning from my instructors and with my fellow scholars.

5. To **complete** and **finish** my AWS re/Start Training.
   a. I will complete all of my academic requirements with punctuality, and be ready during each of my classes and sessions for the whole duration of the program.
   b. I will finish my training through dedication and a mind willing to learn from my instructors.
   c. I will finish the 12-week training program without stopping and will receive the AWS re/Start completion certificate after finishing the final assessment.

6. To **prepare** myself to pursue the AWS Certified Cloud Practitioner certification exam.
   a. I will attend review sessions to be able to take the AWS Certified Cloud Practitioner certification exam with the help of the AWS re/Start program.
   b. I will initiate self-tutoring and independent review sessions to refresh my learnings and be able to take the AWS Certified Cloud Practitioner certification exam.
   c. I will schedule to take the certification exam within 30 days before the end of the training.

7. To **become part** of the growing cloud practitioner community in the Philippines.
   a. I understand that I am required to participate in and contribute 5 hours to community-building activities with the sponsoring organization, EXL.
   b. I understand that I am required to participate in and contribute 8 hours in volunteering sessions for AWS re/Start scholars.
   c. I will attend the 1-hour Focus Group Discussion to be conducted post-program and share my experience, feedback, and suggestions for improvement on the AWS re/Start program.
   d. I pledge to actively participate in the Career Fair, Monthly Connect, and post-program evaluation organized by Edukasyon.ph and AWS.
   e. I aim to confidently pursue and seize job opportunities that align with my expertise.
   f. I will share updates on my employment endeavors post-program to contribute to our collective knowledge and success.

8. To bear a **positive** mindset during the duration of the AWS re/Start Training.
   a. I understand that the challenging curriculum, requirements, and such would be necessary for my development and learning process.
   b. I commit to embracing the difficulties I may face during the duration of the training and making it a learning opportunity for my growth.
   c. I will ensure to be a part of a healthy learning environment alongside my instructors and fellow AWS scholars.

9. To **prepare** myself to connect with the AWS reStart hiring partners.
    a. I understand that at the end of the training, my data will be sent to the hiring partners of the AWS reStart Program.
    b. I am committed to preparing myself for employment opportunities within six months of graduation.
    c. I ensure to be responsive during the recruitment of hiring partners and update the AWS reStart Program team on my employment status once hired.

I understand that my commitment will be vital to reaching my full potential and completing the AWS re/Start Training. With this, I will ensure to apply the above conditions and fulfill my commitment to be a successful AWS re/Start Scholar. I understand that committing myself to the scholarship program would be necessary for my newly paved journey and to embark on a new part of my career.
